They are F. O. B. Nursery. On orders amounting to less than \$25.00 we pack and deliver free at our station. Most orders should go by express. Our trees are too large to be shipped by parcel post.**REMITTANCE:**—Should be sent by postal or express money order, bank draft, or we will take your personal check if you prefer. Do not send currency as it is unsafe.**CLUB ORDERS:**—If a number of neighbors order together, we will tie each order separate, with the purchaser's name attached, and then pack all in one bale or box. We will pay transportation charges on such orders if the amount is over \$25.00; Forest Tree Seedlings, Ornamental and Shade Trees excepted. Persons sending in club orders will be given credit for 10 per cent in trees, or any stock they wish for their trouble. If you get up the club be sure to mention your name.**PACKING:**—We have one of the most modern equipped packing and storage nursery plants in the middle west, and this fact assures you that your order will reach you in prime condition. Do not wait to send in your order. **DO IT NOW**, and be sure of getting just the varieties and sizes that you want. We will not ship out your order until weather conditions are favorable for planting in your locality. Our trees and plants are free from insects. Our nurseries have been inspected by our State Entomologist. A copy of the State Entomologist's Certificate of Inspection is attached to every shipment of nursery stock which we make. A copy of the Certificate of Inspection follows:

We shipped Mr. R. R. Smith, Missouri, a thousand Catalpa; he writes us on November 19th: "Rec'd. Catalpa today in good shape."

Late last fall we shipped 40 shade trees to one of our old customers, Mr. S. P. Squire of western Kansas, in behalf of a ladies' civic club in his city; on December 3rd he advises us that "We received our trees and they were very fine and the ladies were well pleased. I am sending ckeck, would have sent it sooner but have been out of town.

Yours truly,"
